Аннотация

Поэма «Амангельды» о герое национально-освободительного движения, борце за установление советской власти в Казахстане была задумана Си Синхаем в 1943 г. Поводом для создания произведения было обращение правительства республики к композиторам увековечить подвиг героя. Поэма впервые прозвучала 18 июня 1944 г. на праздничном концерте в Кустанае, в день официального торжества, посвященного 25-летию со дня гибели Амангельды Иманова. Но творению композитора было суждено обрести новую жизнь.

« В 1998 г. Первый секретарь посольства КНР в РК Дин Хайцзя – вспоминает композитор Бакир Баяхунов – пригласил меня к участию в проектах, связанных с творчеством Си Синхая и его пребыванием в Казахстане. В частности, мне было предложено создать симфонический вариант Поэмы «Амангельды». Оригинал был написан для фортепианного дуэта. Это большое многотемное сочинение, в котором использованы песни, посвященные подвигу героя, а также попевки домбровых кюев. Метод вычленения отдельных интонаций позволил автору непрерывно длить композицию, сопоставлять или объединять мотивный материал. Драматургия Поэмы включает в себя две основные линии – лирико-эпическую и батальную с победным торжеством в коде произведения. Написанный мною симфонический вариант Поэмы был исполнен 7 и 8 октября 1998 г. в концертах памяти Си Синхая в Центральном концертном зале Алматы».

Занимаясь исследованием казахстанского периода творчества Си Синхая, собираением материалов о жизнедеятельности композитора, я попросила Б.Баяхунова предоставить копию партитуры Поэмы. Автор симфонической транскрипции выполнил набор текста в нотном редакторе, сохранив первоначальную версию, а также создав новую. В обновленной версии с одержание партитуры не подверглось большим изменениям, но были уточнены многие детали инструментовки, а также тематизма главной партии сонатной формы.

История музыки знает много примеров, когда незавершенные творения возрождались благодаря композиторским интерпретациям – обработкам, аранжировкам, редакциям. Это касается и произведений Си Синхая, нередко создавшихся в трудных для творчества условиях. Полагаю, обновленная версия Поэмы «Амангельды» вызовет интерес музыкальной общественности. Разумеется, она подобна переводу литературного произведения. Но качество перевода значит очень много в восприятии произведения и подчас обнаруживает скрытые достоинства оригинала.
